

Walter A. Bryant
"AI" General Manager
Phantom Works - Australia The Boeing Company

Mr. Bryant is currently General Manager, Phantom Works Australia, a unit of Boeing Phantom Works. Mr. Bryant is responsible for all aspects of Phantom Works Australia, including the research direction, strategic interfaces with internal Boeing organizations and external R&D collaborations with Industry and Government in Australia.

In this assignment, he will focus on establishing a fully operational R&D presence of The Boeing Company in Australia.

Prior to this assignment, Mr. Bryant was Director, Distributed R&D and Customer Partnerships within a department of Boeing Phantom Works. In that assignment, Mr. Bryant was responsible for all non-Seattle WA, USA based R&D sites, all strategic interfaces with internal Boeing Customers, external R&D alliances and led the marketing and communications function.

Mr. Bryant has been with The Boeing Company for 29 years and has a Bachelor of Science in Architectural Engineering from Virginia Tech, USA.
