

Dr Lisa McIntyre
Partner
L.E.K Consulting

Lisa McIntyre is a Partner in our Sydney office. She leads L.E.K.'s Asia-Pacific life sciences practice.

With nine years experience in L.E.K.'s Boston office, she has worked with over 35 different biopharmaceutical clients across a wide range of projects. Example engagements include:

- industry reviews
- technology strategies
- drug commercialization and market analyses
- partnership opportunities and screening analyses
- global market assessment strategies
- business plan development
- US and European product launch and pricing strategies

Dr McIntyre graduated with first class honors from the University of Sydney with a B.S. Honors degree in Biochemistry. She went on to earn her Ph.D. in Physical Chemistry from Jesus College, Cambridge University, where she was a Commonwealth Scholar. Her doctoral research focused on the development of new techniques in high resolution NMR spectroscopy.
